STATEMENT FROM CHAIRMAN JUDD GREGG

RE: CBO's Analysis of the President's FY06 Budget Request

"We have a lot of work ahead of us in the next few days, but it is my intention to mark up a budget in committee next week that cuts the deficit in half, holds the line on discretionary spending and includes mandatory savings. The President has rightly called for fiscal discipline in every area, and I hope Congress has the courage to meet that challenge."
